The place to buy is at Kenton, Ohio, on Thursday, September 29. The Ohio Polled Shorthorn Breeders invite you to attend their annual show which will be held at the Fair Grounds in Kenton, Ohio, on September 29, beginning at 9:00 A. M., and their annual sale which will be held Thursday night, September 29, beginning at 7:30 P. M. The best show herds of the Buckeye State will be on display at this event. Plan now to attend to see the many excellent Polled Shorthorns that are produced in Ohio. Many of the show cattle that are being exhibited at the Ohio State Show will be sold in this sale.

Truly this is one of the greatest offerings ever presented by Ohio Polled Shorthorn Breeders. The blood of famous International grand champion bulls is stronger in Ohio herds than in any other state. It is the bloodlines of these bulls that will be featured in this select offering.

It will be a pleasure to have you with us on September 29. Not only will you be able to see many of the nation's best show cattle but you will also be able to make your selections of the show winning kind in the sale.

—Ed Huff, Sale Mgr.

General Information

TIME—The Ohio Polled Shorthorn annual show will be held on September 29 beginning at 9:00 A. M. The sale will be held at 7:30 P. M., Eastern Standard Time at the Fair Grounds in Kenton, Ohio.

LOCATION—The Ohio State Show and Sale will be held at the Fair Grounds in Kenton, Ohio. Kenton is located on U. S. 30, Southeast of Lima, convenient to reach by bus, automobile or train.

SALE HEADQUARTERS—Sale Headquarters will be the Weaver House in Kenton. Hotel reservations may be made direct or through the sale manager. Also, reservations may be made at the Kenwood Motel. Please make reservations early.

MAIL BIDS—The cattle offered in the sale will compete with the best individuals of the strong Ohio Show herds. They have been carefully selected and only the most select were accepted. Those wishing to buy at this sale who find it impossible to attend may send mail order bids to Ed Huff, sale manager, 16 So. Locust Street, Aurora, Illinois; Hal Longley, 16 So. Locust Street, Aurora, Illinois; Clinton K. Tomson, Secretary of the American Shorthorn Breeders' Assn., 7 Dexter Park Avenue, Chicago 9, Illinois; Stanley Perkins, Eastern Representative of the American Shorthorn Breeders' Assn., Swartz Creek, Michigan; to the auctioneer, or to the consignors. Messages sent to any of the above during the day previous to the sale should be addressed in care of the Weaver House Hotel in Kenton.

INQUIRIES ABOUT CATTLE LISTED—The Sale manager will gladly answer to the best of his ability any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animal listed in the catalog. This is a thoroughly healthy offering. As a safeguard to prospective buyers every animal has been tested for Bang's within 30 days prior to the sale and those that are not from accredited herds have passed a clean tubercular test within the same period. Health certificates will be furnished with each lot sold.

TERMS—The terms are cash unless some other arrangement has been made with the consignor and proper notification has been made to the sale manager. Where footnotes appear in this catalog they were written by the consignors or prepared from information supplied by the consignors. Neither the sale manager nor the clerk of this sale assume any liability, legal or otherwise. However, every precaution will be taken for the safety and comfort of the guests.

Terms, Conditions and Guarantee

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

Come To Ohio For Real Polled Shorthorn Improvers

Polled Shorthorns such as this excellent group of females pictured above will be in abundance at the September 29 Ohio Polled Shorthorn State Show and Sale. Such quality individuals as the ones listed in this catalogue are the kind that have contributed to the progress of this great breed. Polled Shorthorns are ideal for the farmer as well as the rancher. The hornless feature is of a distinct advantage. More cattle can be fed in the same feed lot and the dangers caused by horns will be eliminated by breeding Polled Shorthorns.

All the cattle in this sale could have been sold at private treaty but have been held for this event. Avail yourself of this opportunity to purchase the finest Polled Shorthorn seed stock. Visualize such excellent individuals as the ones pictured above in your pastures. This is possible. You can make this dream come true by making your selections on the night of September 29th.

Coronet Command x, 1941 International grand champion and a sire of the breed improving kind. The blood of such champions will be in abundance at this event.
